SUSTAINABLE SOLUTIONS FOR OUR PLANET

WHAT ARE YOU DOING TO FUTURE-PROOF YOUR BUSINESS?

Fusion Corporation
Dec 4, 2024

Securing a reliable supply chain has never been more critical for U.S. businesses. With uncertainty around tariffs, you will need to look for unique solutions to help keep prices down.

Working with Fusion gives you access to high-quality production from a variety of Southeast Asian countries (with reduced reliance on China), ensuring competitive pricing and exceptional value. With strategic location and manufacturing partnerships, we can help U.S. companies mitigate geopolitical and economic conditions. Diversifying sourcing beyond China avoids potential risks associated with concentrated trade dependencies and supports a streamlined, tariff-conscious supply chain.

In addition, taking action now on purchases planned for the next year will ensure delivery and lowest price offered! Waiting could mean paying more due to unpredictable fluctuations in price due to tariffs.

TRUMP PLEDGES 25% TARIFFS ON CANADA AND MEXICO, MORE ON CHINA TOO

U.S. President-elect Donald Trump on Monday pledged a 25% tariff on all products from Mexico and Canada from his first day in office, and an additional 10% tariff on goods from China, citing illegal immigration and the trade of illicit drugs.

"On January 20th, as one of my many first Executive Orders, I will sign all necessary documents to charge Mexico and Canada a 25% Tariff on ALL products coming into the United States, and its ridiculous Open Borders," Trump said in a post on Truth Social.

NEW JERSEY'S PLASTIC CONSUMPTION TRIPLES AFTER PLASTIC BAG BAN ENACTED, STUDY SHOWS

Plastic consumption in New Jersey tripled despite the state's 2022 plastic ban meant to address the "problem of plastic pollution," according to a study from a business-research firm.

The study found that the state's law banning single-use plastic bags led to a 60% decrease in the total bag volume, according to analysis from the Freedonia Report, marketresearch.com's business research division.
